**Nr. 5162 din 29.11.2023**

## **Descrierea succintă a aplicării amenajamentului silvic UP XVII Țibău**

Amenajamentul fondului forestier proprietate privată a Ingka Investments Forest Assets SRL, constituit în UP XVII Țibău a intrat în vigoare la 01.01.2018 fiind valabil până la data de 31.12.2027.

Pe perioada de aplicare a acestuia din 01.01.2018 până la 27.11.2023 au fost executate următoarele lucrări:

- Impaduriri pe 59,8 ha;
- Degajări pe 3,4 ha
- Rarități pe 377,2 ha;
- Taieri de regenerare pe 29,1 ha;
- Taieri de igienă pe 55,7 ha

Nu a fost depășit volumul aferent primilor 6 ani de aplicare, extras sub forma produselor principale;

Arboretele din cadrul UP XVII Țibău sunt afectate de factori abiotici, rupturi și doborâturi de vânt și zăpadă. Deoarece volumele rezultate din astfel de produse, au fost mici, nu a fost necesară până în prezent, modificarea prevederilor amenajamentului în vigoare.

Nu au fost scoase suprafețe din fond forestier, definitiv sau temporar.

Sef ocol,  
ing.Panait Ion

Lucrări silvice executate în deceniu 2018-2027

UP XVII Tibău
